

Herd Inventory Submission for Classification LELY-HORIZON

1. Go to Reports section on taskbar. Select "Add Report".

2. Add a "tag", so the report can be easily found the next time you classify. You can use the "Herd" tag. Don't forget to give a name to your report, such as "Classification report Holstein Canada".

Herd Inventory Submission for Classification

LELY-HORIZON

5. Check the list to make sure all of the animals you would like scored is on the list. Then select the "... " and export report to **CSV**.

The screenshot shows the LELY-HORIZON web interface. At the top, there is a search bar labeled "Search for cow..." and a notification icon with the number "1". Below the search bar, the page title is "Holstein Canada Classification Inventory" and it indicates "Total: 102 records". A table lists animal records with columns for Animal Number, Animal Life No., Birth date, and Lactati No. To the right of the table is a context menu with options: Edit, Duplicate, Print / Export as PDF, Convert to task, Export as CSV (highlighted with a red box), Export as EXCEL, Export as XLSL, and Settings.
