Three Holstein Canada Century of Holstein Awards to be handed out at the 2023 National Convention

Brantford (Ont.), March 6, 2023 – The Century of Holstein award recognizes the dedication and contribution of Holstein families through their long-standing membership with our Association. If a family's relationship with the Association can be traced to 100 years of active, continuous membership, then it is eligible for this distinction. This year, the award is being handed to three (3) different families; the descendants of William McGriskin who's membership was taken out in 1923, the descendants of T.O Dolson, who's membership was taken out in 1919 and the descendants of A.H Poole who's membership was taken out in 1922. This incredible achievement and longstanding commitment to our Association will be celebrated at the Annual General Meeting on April 15.

Century of Holsteins Award:

- **Descendants of William McGriskin**
- **Descendants of T.O Dolson**
- **Descendants of A.H Poole**
