Live Stream of 2014 Holstein Canada AGM will be Available

Brantford, ON – After receiving great response to the 2013 Annual General Meeting (AGM) being live streamed, Holstein Canada is pleased to again offer a live stream feed of the 2014 AGM for those members across Canada unable to attend in-person. Members interested in viewing the live stream will be able to gain access through a direct link on Holstein.ca that will be made available on Saturday, April 5, 2014, the day of the AGM. There will be no registration or fee required, and the feed will be available in both English and French. Please note that the live stream will only be available for the AGM, and will not feature Guest Speaker Mylène Paquette's presentation.
