PHONE | 519-756-8300 | 1-855-756-8300 FAX | 519-756-5878 WEB | WWW.HOLSTEIN.CA

## Ownership

The owner indicated in the Holstein Canada database at the time of animal verification or upon special arrangement with the show officials at the time the animal is exhibited.

## Junior Breeder's Herd

Group of three (3) animals carrying the same **prefix**. The exhibitor must solely or jointly own at least one animal in the group; the other two animals may be owned by other exhibitors.

## Breeders' Herd

Group of three (3) animals carrying the same **prefix**. The exhibitor must solely or jointly own at least one (1) animal in the group; the other two (2) animals may be owned by other exhibitors.

## Bred & Owned

Animals whose **prefix** belongs to the owner (or one of the owners). The exhibitor must solely or jointly own the animal.

## Production classes and awards

Exhibitors must provide show clerks, verified production data demonstrating that the animal meets the eligibility requirements for the desired production award or class. No projections are accepted.

## Premier Breeder

Presented to the breeding unit (individual, partnership, or institution) having the highest number of points won in individual female classes with a maximum of 10 animals considered for award calculation. Animals used for the award calculation do not necessarily have to be owned by the winner. Calculation of the Premier Breeder award is determined strictly by the **prefix** of the animal, which can be identified on the Certificate of Registry.

## Premier Exhibitor

Presented to the exhibitor/owner (individual, partnership, or institution) having the highest number of points won in individual female classes by not more than 10 animals owned by the exhibitor. This does not limit the number of animals that may be shown. In the case of jointly-owned animals, joint ownership is considered as one exhibitor. No part of the points awarded counts toward the individual score of any of the joint owners.

## CFIA Tags

In keeping with national health, bio-security interests, and breed identification rules, all Canadian dairy animals must be security tagged to show—one tag pair in each ear with all four component parts identically numbered. All US animals must carry USDA tags. Moreover, in order for US exhibitors to enter Canada, an import permit must be granted from the Canadian Food Inspection Agency.

### **Red & White Shows (R & W)**

A Red and White animals must show in the Red and White show, if there is one, in order to show in the Black and White show.

### **Dress code**

Exhibitors will wear a white shirt and white pants when leading animals in the ring.
