## **HOLSTEIN ADVISOR AND TRAINING SPECIALIST**

---

**Holstein Québec** has nearly 4400 members passionate about the Holstein breed, participating in 26 clubs throughout Quebec. Our mission is to bring together Holstein breeders, represent their interests and help them achieve profitability through a well-qualified team as well as development, marketing and promotional activities and advisory services. We offer a strong team-oriented workplace, positive leadership and the chance to play a key role in the future of our industry. We are located in St-Hyacinthe, with colleagues across the province.

This position reports to Holstein Quebec, and is partially accountable to Holstein Canada.

This position requires regular travel within Quebec and across Canada, including to Holstein Canada in Brantford (ON) on a monthly basis.

**YOU** are passionate about the dairy industry and inspired by dairy producers. You are a natural people person – a listener, communicator and educator. You are inquisitive by nature and enjoy sharing your knowledge and insights. You love team work and are not afraid to roll up your sleeves. You love a job where every day is different and brings new challenges, where you can plan and achieve goals, and where you are a key contributor.

In this role, **YOU WILL:**

- Act as a technical dairy industry resource, sharing information on various trends and topics related to breed improvement and herd management
- Provide advisory services, information and tools to Holstein dairy farmers, helping them to work effectively in a changing dairy industry
- Create resources for producers across Canada who have differing on-farm realities
- Work closely with staff, branches and industry groups within Quebec and across Canada
- Attend and share information at industry events
- Build supportive and professional relationships within the dairy industry across Canada

**YOU OFFER:**

- Post secondary education in agriculture, animal science, ag business or related
- 3-5 years' progressive work experience in the dairy industry
- Experience with adult education and training, sales, and/or customer relations
- Knowledgeable about current on-farm management systems, producers needs
- Fluent in French and English
- Skills in communicating, presenting information, writing and advising
- Strong time management, ability to organize multiple priorities
- Ability to analyze data and present it in a neutral, unbiased and clear manner
- The ability to travel regularly – mostly in Quebec, but also to Brantford ON (monthly) and various events across Canada
- Valid drivers license and use of a reliable vehicle

**Deadline to apply:** January 24, 2020
