The Holstein Canada Board of Directors is thrilled to welcome the prestigious All-Canadian contest under the Association's umbrella. After conferring with the English family and the Holstein Journal team, it was agreed Holstein Canada would be the best fit for the contest.

GILLES CÔTÉ - Quebec

The success of this acclaimed contest is without a doubt due to the efforts over many decades in which Peter English, the Holstein Journal team and dedicated men and women shared their passion for the best Holstein cows. Holstein Canada and the Show & Judging Committee are committed to preserving the integrity and evolution of this long-standing contest, for the benefit of all exhibitors and breeders, today and for generations to come.
