FOR IMMEDIATE RELEASE

## Holstein Canada Announces New Canadian Champions

Brantford, ON – February 4, 2026 – Holstein Canada is pleased to announce the designation of thirty-six (36) New Canadian Champions following the implementation of updated award metrics and benchmarks.

With the modernization of production award metrics, a total of twenty-two (22) animals have achieved a Canadian Champion status. It should be noted that some animals have earned more than one award within the same lactation. As in previous years, these champions will retain their titles until their records are surpassed.

For detailed overview of the award categories, please refer to the media release titled *Modernized Production Awards*, dated February 3, 2026, available at [Holstein Canada: News-Events - Media Releases](http://Holstein Canada: News-Events - Media Releases). For more information on the industry benchmarks, please visit our website at [www.holstein.ca](http://www.holstein.ca).

Holstein Canada would like to congratulate the breeders and owners.
