Announcing the 2022 Canadian Champions for Production

Brantford (Ont.), January 26, 2023 – Holstein Canada is pleased to announce that two (2) animals have achieved four (4) new Canadian Champion records for production in 2022:

- **JMJ BREWMASTER FLEUR (GP-82)** is the new Canadian Champion as a 5-year old for both Protein and Total Performance
- **BERGITTE GOLDWYN HOBBY (VG-87)** is the new Canadian Champion as an 11-year old for both Fat and Total Performance

Holstein Canada congratulates the breeders and owners of the new 2022 Canadian Champions.

About Canadian Champions

Canadian Champion distinctions are awarded to Holstein cows (75% pure or higher) that surpass the previous all-time highest performance for milk, fat, protein, or total BCA at their age in their respective calving category. If more than one (1) animal in a given year exceeds the previous highest level, only the top individual will be recognized as a new Canadian Champion.

The list of the all-time highest production Canadian Champion cows is on Holstein Canada's website under Awards and Shows – Cow Award Lists.

About Holstein Canada

Holstein Canada has 9,200 members and is responsible for the maintenance of the Holstein Herd Book under the Federal Animal Pedigree Act of Agriculture and Agri-Food Canada (AAFC). The Association offers many services to its members to help them evaluate, select and improve their herds through genetic improvement programs.
