

CAREERS

Quality Assurance/Software Tester

Business & Technology Solutions – Brantford, ON

HOLSTEIN CANADA is the largest dairy breed association in Canada, serving our membership of more than 10,500 active dairy producers since 1884. With dynamic leadership and a clear vision, we are building an exciting, tech-friendly future. We offer a strong team-oriented workplace, supportive leadership, and the chance for you to play a role in a major operational project.

YOU are instinctively curious. You enjoy seeing how things work, and seeing how to break things – for fun. Your attention to the little things is balanced by your interest in the big picture. You enjoy having deadlines – sometimes tight ones – and your track record proves you get it done.

In this role, **YOU WILL:**

- Develop QA test plans and provide QA work effort estimates for new and existing applications
- Prepare test scripts for all assigned projects
- Execute comprehensive functional and non-functional testing on software prior to release for user acceptance testing
- Prepare user acceptance test cases and plans
- Coordinate user acceptance testing
- Communicate test progress, results and other relevant information to the project team
- Coordinate software build and publication process
- Maintain QA process documentation

YOU OFFER:

- Post-secondary education in a relevant field (IT, business, etc.)
- 3-5 years experience with manual and automated testing Microsoft based client/server applications
- Experience testing in an Agile Software development environment using project management software (e.g. On-Time, TFS)
- Experience with performance/load testing
- Exposure to a variety of software testing technologies
- Strong analytical and problem identification skills
- A team player with strong interpersonal and collaboration skills
- Comfort participating in daily status meetings and setting work estimates
- Able to communicate professionally in English (speaking & writing)
