In this role, **YOU WILL:**

- Lead all aspects of on-farm service delivery to producers in Ontario and Western Canada
- Drive and motivate key performance indicators including producer retention, staff/team productivity, business development and customer satisfaction
- Hire, develop, manage and engage team to deliver classifications, assessments and field services; evaluate team and individual performance
- Work closely with field team and clients to identify efficiencies, resolve issues and improve services
- Participate on the field staff leadership team (CFS), as well as board and operational committees (e.g. Breed Advisory and Classification Advisory)
- Establish and maintain a positive culture among the field team and across the company

YOU OFFER:

- Post-secondary education in agriculture/dairy, business, or a related field
- 5-10 years' experience in the dairy industry or agriculture
- 3-5 years' experience with all aspects of staff management
- Strengths in team building, problem solving, decision making and customer service
- Comfort in learning and exploring new software
- Ability to travel within Ontario and Western Canada; valid driver's license
- Passion for the dairy industry
- Bilingual (English & French) is an asset
