

Subject: New Trailer Parking Process

Dear Exhibitors,

As we continue to grow and improve the Royal Agricultural Winter Fair, we are making some important updates to how trailer parking will be managed onsite.

New for 2025

All trailers must now be registered in advance using our **NEW** online system. This change is part of our effort to ensure a safe and organized experience for everyone involved in the Fair.

A new parking fee structure will also be introduced, as the Royal is no longer able to absorb the full cost of parking space on the Exhibition grounds. As a result, we are passing on a small portion of this cost to exhibitors, to help ensure the long-term success of the fair.

We understand that changes to long-standing processes can be an adjustment, and we want to thank you in advance for your cooperation. Your participation is what makes the Royal so special, and we truly appreciate your support.

What You Need to Know

- Trailer RV parking must be booked in advance through the online registration system.
- Pricing is based on the number of days.
- Parking spots will be assigned based on availability at the time of registration.
- We continue to permit one trailer per exhibitor.
- We continue to allow in and out privileges for the truck.
- Note: there is no charge for days in advance of Friday November 7th but you will be permitted to begin parking on Monday November 3rd, provided you have registered with us.
- Parking Passes can be picked up as usual, at checkpoint A.
