

HOLSTEIN CANADA

November is Registration Month!

Registration brings so many advantages, both for your herd and the Canadian breed as a whole: reliable animal information, lower inbreeding levels, and an improved Canadian Herdbook are just a few.

This month, Holstein Canada is adding some extra incentives!

Starting November 1, every registration you submit to Holstein Canada gives you the chance of winning great prizes, including gift cards for Holstein Canada Gear and a True Type model!

*You could

Every registration improves your odds!

If you're on social media, watch our Facebook, Twitter, and Instagram profiles for our Blitz Time promotions and toque giveaways.

If you're not, don't worry – all your registrations put you in the running.
